Dear Parents,

We are in the process of preparing for your child's entry to school in September, and we would like to welcome you all again to the Milford Preschool, LLC.

To give you and your child an opportunity to become familiar with our program, our first day of school will be an orientation day. This will take place as follows:

Monday, September 9th - 4-year-old a.m.class - 10:00 to 11:00 a.m.

Monday, September 9th - 3 & 4 yr p.m. class - 11:30 to 12:30 p.m.

Tuesday, September 10th - 3-year-old class - 10:00 a.m. to 11:00 a.m.

This orientation will be for parents and students. Students will gather in the classroom, the parents will go to room 139 for a brief meeting with one of our staff. Try to arrange younger siblings' care so that you and your preschooler can have this special time together. Please bring the enclosed nametag and a photo of your family for our Family Photo Board. Also, please bring an additional set of clothing including socks in a zip lock bag with your child's name on it. Occasionally we have accidents and this set of clothing will ensure your child's comfort as well as save them any embarrassment they may suffer as a result. Throughout the school year we often have wonderful opportunities to take candid shots of the children engaged in different learning activities. We encourage you to send in a disposable camera with your child's name on it for this purpose. We will use the camera to capture precious moments and return it to you on the last day of school. This is a great way to peek into your child's experiences at school.

The first tuition installment is due by June 1, 2009. The second tuition installment and the yearly activity fee are due by September 15, 2009. All consecutive tuition installments are due by the first of each month ending with the tenth installment in May. A \$20.00 late fee will be charged for all late payments. Please make all checks payable to Milford Preschool, LLC. A current health form is due by the first day of school. No child in the state of Connecticut can attend school without a current medical form on file. At this time you may mail any or all of the necessary forms and payments to the address shown above.

We are preparing our fall curriculum and we know that the year ahead will be exciting and challenging for you and your child. Enclosed you will find a letter for your child and their nametag. As always if, you have any questions or concerns please call the preschool. We have abbreviated summer hours but will return your call as soon as possible.

See you in September!
